Subject: Satisfaction confirmation for consulting services provided within the
Employment and Social Protection Project Management

Dear Sir,

Hereby We express our entire satisfaction related to the Technical Assistance services provided within the captioned project by your consultants, particularly your consultant in management, Mr Zoltan Szabo, economist, MBA.

We have appreciated his professional ability and competence, his clear understanding of the Romanian reality in the economic and political fields in which the project has been developed as well as his skills in knowledge transfer to our staff, by using a modern method of training. Applying knowledge got during the two training courses provided in both the Project and Time management fields, We improved our professional activity, becoming more efficient in performing our major tasks.

Mr Szabo has developed excellent collaboration relationship with the Ministry's High Management, the staff of the DMPFE as well as the World Bank Romanian representatives, working always closely with them, solving quickly most of the raised problems.

We would like to thank you and your advisor for the excellent collaboration during the project implementation and, in the same time, to express our hope in a further cooperation.

Best regards,

Constantin Oltanu,
Director DMPFE
